Sponsorship and Exhibition Opportunities – EPE’23 ECCE Europe
EPE’23 ECCE Europe Conference

AIMS OF THE CONFERENCE
The EPE ECCE Europe conference is the largest in its field in Europe, attracting every year almost 900 experts from all over the world to discuss the major power electronics challenges we have nowadays. With the objective to exchange and meet fellow professionals and academics, the EPE ECCE Europe conference brings together scholars, researchers, engineers, and students working at the forefront of power electronics technologies. EPE’23 ECCE Europe in Aalborg is the perfect opportunity to discuss a number of hot subjects, not only during the lecture and the poster sessions, but also at the exhibition, the industrial forums and the tutorials. It is also the place where employers meet potential candidates for becoming employed.

ORGANIZATION AND VENUE
Tutorials will be organized on Monday, September 4th. Technical sessions take place from Tuesday until Thursday. Technical visits are planned on Friday, September 8th.

The majestic Aalborg Congress and Culture Center in the heart of Aalborg, the Nord-Jutland capital, will host the conference, with its extraordinary capacity of +7000 sqm total covered area and some 2,400 seated participants. The exhibition area can host up to 40 booths and has place for standing lunches and breaks to up to 1000 participants.
LIST OF TOPICS

On top of the tutorials, lecture and dialogue sessions, and technical visits, the organizing committees will propose several discussion sessions within the industrial forums as well as special sessions of power electronics related trends.

In addition to the topics for paper submission, EPE’23 ECCE Europe in Aalborg will highlight the following Focus Topics, not only in dedicated lecture and dialogue sessions of the conference but also in keynotes, the exhibition, panel discussions, tutorials and technical visits. Paper submissions in line with these Focus Topics are highly encouraged.

**Energy Islands**
1. Renewable Energy systems and Power-to-X
2. Energy Islands

**Energy Storage**
3. Energy-storage technologies
4. Electric Vehicles

**Digital world in Energy**
5. Cyber Security in Power Electronics
6. Reliability and Artificial Intelligence in Power Electronics

The complete list of conference topics is published on our website: [www.epe2023.com](http://www.epe2023.com)

Vendor Sessions

The exhibitors can highlight their latest developments and solutions at the Vendor Sessions. They present a unique and much appreciated venue for raising the company’s profile and new developments, products, and services.

Each company can book 1 vendor session slot either on Tuesday, Wednesday or Thursday in the Vendor Session Area. The vendor session is included in the package however, there is no obligation for the exhibitors/sponsors to book a time slot.

The speaking time within the session is 15 minutes maximum, including questions. The exhibitor’s speaker will have the opportunity to show a PowerPoint presentation (10 minutes maximum).

The available time slots will be allocated on a first come, first serve basis.

Application and Payment for Sponsorship and Exhibition

Application
Please complete the application form on pages 16-19 and return it to the Conference Secretariat or contact the EPE Secretariat by email for special requests.

Confirmation and Payment
The secretariat will, as far as possible, take into account the requests from sponsors and exhibitors when allocating stand numbers. However, the conference organizer does not guarantee that the booth requested will be available and/or will be assigned. Assignments will be made only after receipt of the order form and the appropriate payment (100% of total amount payable upon receipt of the invoice).

Confirmation of your sponsorship and stand space will be mailed to you soon thereafter.

VAT (TAX)
All companies are required to pay VAT at the prevailing rate.

Contract and Cancellation
A sponsoring agreement will be sent after receipt of the application form. Upon request, the EPE Secretariat will send a template of the contract including cancellation policies.

Insurance
Companies exhibiting at the EPE’23 ECCE Europe Conference & Exhibition are required to take out an appropriate insurance (liability insurance), and to send a copy to the EPE Secretariat.

Disclaimer
As from the normal publication delays, in the summer period, the organizers cannot guarantee that the full visibility, as described in the packages will be available for bookings after 11 July 2023. The organizers will make all efforts to propose acceptable alternatives in case the normal service is not available anymore.
