

# Letax template to write a Provisional Full Paper for EPE'23 ECCE Europe

Preferred Topic 1: For Example: Topic 2 – Power Converters Topologies

Preferred Subtopic 1: For Example: Subtopic 2a - Modular Multilevel Converters

Preferred Topic 2: For Example: Topic 3 - Converter modelling, design, low-level control

Preferred Subtopic 2: For Example: Subtopic 3a - Converter Design and Optimisation

Origin: For Example: University

Preference: For Example: Dialogue (Poster) Session

REMARK: The Provisional Full Paper must be 6 to 8 pages and must be strictly anonymous (Please delete this remark in red)

***Index Terms*—Keyword 1, Keyword 2, Keyword 3, Keyword 4, Keyword 5 of the official keyword list (Please delete this remark in red).**

***Abstract*—Here, you are requested to write the abstract of your Provisional Full Paper. The main ideas, findings, results and conclusions should be introduced in an attractive way. This abstract should not be more than maximum 50 words. The main ideas, findings, results and conclusions should be introduced in an attractive way.**

## I. INTRODUCTION

Here, you start to write the real Provisional Full Paper. It consists of an introduction, the body of the text with the different paragraphs, including figures, formulae, tables and eventual images, and of course, the conclusion. The Provisional Full Paper should be between 6 and maximum 8 pages and needs to be uploaded as a PDF-file. It also should not exceed 5 Megabyte.

## II. TITLE OF THE FIRST PARAGRAPH

This is where you start to write the Provisional Full Paper, including subparagraphs, sub-sub paragraphs, figures, formulae, tables and eventual images. Don't forget that the Provisional Full Paper should be between 6 and maximum 8 pages and that, as you might have

noticed by now, a two column format is requested. This sentence will be repeated to represent the body of the text. This refers to the reference list [1].

This is where you continue with the Provisional Full Paper, including subparagraphs, sub-sub paragraphs, figures, formulae, tables and eventual images. Don't forget that the Provisional Full Paper should be between 6 and maximum 8 pages and that, as you might have noticed by now, a two column format is requested. This sentence will be repeated to represent the body of the text.

## III. TITLE OF THE SECOND PARAGRAPH

This sentence will be repeated to represent the body of the text. This is where you continue to write the Provisional Full Paper, including subparagraphs, sub-sub paragraphs, figures, formulae, tables and eventual images.

Don't forget that the Provisional Full Paper should be between 6 and maximum 8 pages and that, as you might have noticed by now, a two column format is requested. This sentence will be repeated to represent the body of the text.
